## 1 Remove Application

Open <Programs> of Windows' <Start Menu> and click <Uninstall> in <Scalar SDA>.

2 How to check a removed application

Please check whether if Scalar SDA was removed successfully from 'Add or Remove Programs'.
If you find Scalar SDA in 'Add or Remove Programs', remove the application by the following
steps.

〈Windows XP〉

Open 〈Start Menu〉/〈Control Panel〉/〈Add or Remove Programs〉 and Remove 〈Scalar SDA〉.

〈Windows Vista〉

Open <Start Menu>/<Control Panel>/<Programs>/<Programs and Features> and click
<Change/Remove> to remove <Scalar SDA>.
